

## Solutions in Healthcare

Healthcare presents a wide range of health and safety risks to employees, patients, residents, visitors and others. Those working in Healthcare continue to suffer illness and injury despite the impetus given by statute, regulation and sector standards such as the National Health Service and Community Act, the Care Standards Act, the National Care Standards Commission and the Health and Safety Executive.

*JRL Solutions Ltd helps you to address the areas of particular concern regarding health and safety in Healthcare and helps you to solve some of your problems below.*
