

Documents for Business

- ◆ Have you got a Health and Safety Policy
- ◆ Have you got documents for a Health and Safety Management system?
- ◆ Have you got documents to demonstrate that your staff have been trained?
- ◆ Have you got documents for risk assessments, systems of work and permits to work?
- ◆ Have you got inspection documents?
- ◆ Have you got documents for safety procedures?
- ◆ Have you got documents for accident and incident investigation?
- ◆ Have you got an emergency plan?
- ◆ Have you got a document for business continuity in the event of disaster?

Standards are changing all the time and you are required to have some documents by law. Do you know what is required by law? Are your clients and customers increasingly asking your business to demonstrate that you hold appropriate documentation before they will offer the contract? They may even be asking for documents that you have not heard about. Your business may not have the time or expertise to understand or write these documents. JRL Solutions Ltd helps you to answer these questions, can prepare and write these documents for you and thereby helps your business to grow whilst enabling your business to do what it does best.

JRL Solutions Ltd works to appropriate standards to address these problems including reference to:-

- ◆ Health and Safety Acts
- ◆ Appropriate Regulations
- ◆ Approved Codes of Practice and Guidance
- ◆ Sector best practice

and particularly the implications of **new legislation** such as the possible implications for your business of the **Corporate Manslaughter and Corporate Homicide Act**

If you wish to discuss further please contact us in a way best for you. We are always happy to talk with no obligation.

We can discuss details, your specific requirements and satisfy your needs.

Cost always reflects quality and value. We always present a proposal for your consideration with full estimated costs.

JRL Solutions Ltd offers the following Solutions:-

- ◆ By talking with you to learn about your business and what is required
- ◆ By writing the necessary documents
- ◆ By reviewing the effectiveness of the documents
