

# HEALTH AND SAFETY POLICY

## General Statement

JRL Solutions Ltd is **committed** to meeting its responsibilities in health and safety for its own staff, its associates, the staff of other organisations and others who may be affected by its operations. JRL Solutions Ltd believes good standards of health and safety is **central to business success**. In meeting its responsibilities JRL Solutions Ltd **complies** with all appropriate statutory legislation, approved codes of practice and guidance; all appropriate international legislation and directives and its duty of care enshrined within common law.

JRL Solutions Ltd has the following **objectives**:-

- To ensure a safe place of work is maintained.
- To ensure that safe equipment is used.
- To ensure that work takes place in healthy and safe environments.
- To ensure that all materials used are safe and do not cause ill health.
- To provide instruction, information and training.
- To ensure consultation is carried out with interested parties.
- To ensure that suitable and sufficient risk assessments are carried out.
- To ensure that significant risks are controlled.
- To ensure work is carried out in accordance with safe methods.
- To ensure, when necessary, that personal protective equipment is used.
- To keep informed on developments in health and safety practice.
- To appoint competent persons to represent its interests.
- To provide suitable procedures for first aid.
- To record and report incidents and accidents.
- To review the policy at least annually.

JRL Solutions Ltd maintains an **organisational** structure which promotes the highest standards of health and safety. This is based on the principles of accountability and is supported by the pillars of control, communication, co-operation and competence.

JRL Solutions Ltd has suitable **arrangements** in place to meet all of its avowed objectives.
